

WORK HEALTH & SAFETY POLICY STATEMENT

- ❖ Management is committed to the standards of health, safety and welfare required under the Work Health and Safety Act and Regulations 2012 to provide workers and other persons with the highest level of reasonably practicable protection against harm to their health, safety and welfare from hazards and risks whilst undertaking their work.
- ❖ We further commit to provide a workplace free of discrimination, bullying and any form of harassment.
- ❖ We aspire to not having any adverse impact on the environment through our undertakings and activities.
- ❖ To lead and achieve these commitments we have implemented a Safety Management System that systematically applies the key principals and processes essential in maintaining safe systems of work.
- ❖ We will provide training and instruction to enable workers to use the facilities and equipment in a safe and efficient way. To make available and maintain, as necessary first aid kits, safety devices, personal protective equipment and to supervise the safe use of such items.
- ❖ We commit to maintaining a constant and continuing interest in health and safety matters including accident prevention and risk assessment. Workers are invited and encouraged to take part in consultation arrangements, including the reporting of issues and ideas, to increase the likelihood of identifying all hazards and choosing effective control measures.
- ❖ It is our expectation that all Workers, Contractors and Visitors will abide by their duties, cooperate with our instruction, and work within the limitations of their skills and experience in support of our commitment to providing a healthy and safe workplace.
- ❖ This policy is available to all stakeholders and is reviewed annually to ensure it remains relevant to the activities undertaken by our business and any changes in legislation.
